From nearby cities or neighbouring countries:

Many trains from nearby cities and neighbouring countries stop at Vienna's main station **Hauptbahnhof**. This includes trains from Vienna International Airport – Schwechat. From there, it takes about 15 minutes to reach the Kulturhaus Brotfabrik by tram (line D) or subway (U1). It may take a little longer on foot.

By car:

From the Vienna Gürtel road, take the Südtiroler Platz exit towards Landstraßer Gürtel. Turn onto Gudrunstraße, then, after about 1.3 km, turn right onto Absberggasse.

From the Favoriten traffic circle (Verteilerkreis Favoriten), take Favoritenstraße, then turn right onto Kennergasse after about 1 km. Turn right onto Laaer-Berg-Straße, then after about 500 metres turn left onto Absberggasse.

As a general recommendation, we advise using public transport instead of driving. If that is not possible, parking is generally available in Puchsbaumgasse and Absberggasse. However, please note that there is a short-term parking zone: <https://www.wien.gv.at/en/transportation/short-term-parking>. Parking spaces on the Brotfabrik grounds are very limited. Please ask on site if needed.
